

TMS RV-630 Vacuum Pump

Rotary Vane Vacuum Pump

OEM: TMS-RV 630 | CFM 490 | HP 25

One-piece lip seal cartridge vs. two

Billet aluminum vs. cast aluminum for the dam wall (reduces metal fatigue)

Metal oil lines and fittings vs. plastic

Billet aluminum exhaust filter hangers vs. cast aluminum (reduces metal fatigue)

Steel exhaust valves vs. plastic (less deterioration)

Billet aluminum motor adapter vs. cast aluminum (eliminates oxidation)

Innovative, state-of-the-art quick change coupling (no need to remove the motor to change the coupler element)

Rotors made from solid USA steel vs. cast steel (longer life/more uniform for better balance)

- ▶ Substantially longer life between rebuilds – USA Steel and Aluminum
- ▶ More durable material than used by competitors – USA vs Import
- ▶ Interior oil return float with fewer parts to fail
- ▶ Trade in your old pump for credit towards a new TMS 'Made in the USA' pump
